NOTARIZED CONSENT FORM

As of October 1, 1999 we are required by Florida State Law, Statute 381.0075 Regulations of Body Piercing Salons, to obtain a notarized letter of consent from the parent or legal guardian of any minor wishing to be pierced or tattooed. The law allows no exceptions to this rule and exacts heavy penalties upon the person that disregards this statute.

A legal guardian will have court papers stating such. We will need to see the legal documents from the court on anyone claiming to be a guardian who is not the biological parent.
